# Hasnain Khushi

Frontend Developer | React.js, JavaScript, TypeScript & Next.js |  
Crafting Modern Web Interfaces  
Gilgit-Baltistan, Pakistan

## Summary

I'm Hasnain Khushi, a passionate Frontend Developer currently pursuing my 12th grade (FAC). I'm currently doing a 3-month internship at Techzoid, where I'm enhancing my skills by building responsive and modern web interfaces using technologies like React.js and Tailwind CSS.

I've developed my expertise through self-paced learning on platforms like YouTube and Coursera, completing professional certifications in HTML, CSS, JavaScript, React.js, Next.js, and more.

I'm a committed learner with a strong passion for crafting clean, user-friendly, and functional web experiences. My goal is to keep growing in the tech industry and contribute to innovative and impactful digital solutions.

---

## Experience

### TECHZOID

Web Developer  
July 2025 - Present (1 month)  
Gilgit-Baltistan, Pakistan

- Selected for a 3-month Web Developer Internship at Techzoid, focusing on full-stack development.
- Actively working on real-world projects using React.js, Next.js, Node.js, TypeScript, and MongoDB.
- Building scalable and dynamic web applications with a focus on performance and maintainability.
- Developing RESTful APIs with Node.js and integrating them into front-end applications.
- Writing type-safe code and reusable components using TypeScript and modern JavaScript ES6+.
- Managing backend services and database operations using MongoDB.

- Collaborating in an agile team environment, participating in code reviews, version control (Git), and CI/CD pipelines.
- Enhancing proficiency in full-stack JavaScript technologies and delivering production-level features.

### AIDCO (PVT) LTD

Frontend Web Developer

February 2025 - July 2025 (6 months)

Gilgit-Baltistan, Pakistan

At AIDCO, I deliver custom web solutions using React.js and Next.js, focusing on seamless e-commerce platforms and high-performance portfolio websites.

### Emodian Tech

Frontend Web Developer

February 2024 - July 2025 (1 year 6 months)

Islamabad, Islāmābād, Pakistan

At Emodian Teck, I develop dynamic websites with a focus on performance and user experience. Collaborating with backend developers, I ensure seamless integration of web functionalities, enhancing the overall product.

### Digital Skill Development Center

Instructor

March 2022 - June 2024 (2 years 4 months)

Gilgit-Baltistan, Pakistan

As an instructor, I taught HTML, CSS, JavaScript, and React.js to aspiring developers. I guided students through hands-on projects, helping them build foundational skills in frontend development and preparing them for real-world challenges.
